About This Playbook

Complete email sequence library covering every automated flow your business needs — from first subscriber to loyal advocate.

What You'll Get

- 71 expert prompts
- Professional-grade frameworks
- Placeholder system for instant use
- Expert tips on every prompt

Who It's For

- Entrepreneurs
- Professionals
- Consultants
- Teams

How to Use This Playbook

- 1 Copy the prompt — Select the full prompt text from the section that matches your goal.
- 2 Fill in the brackets — Replace all [PLACEHOLDER] text with your specific context, brand, or product.
- 3 Paste & generate — Paste into ChatGPT, Claude, Gemini, or your preferred AI tool.
- 4 Iterate — Use the output as a starting point. Refine with follow-up prompts for best results.

Section 1

Welcome & Onboarding (8 prompts)

Prompt #01

3-Email Welcome Sequence

Write a 3-email welcome sequence for new subscribers of [BRAND].

You are email onboarding strategist. Write a 3-email welcome sequence for new subscribers of [BRAND]. Deliver: Email 1 (Immediate): Subject, preview text, deliver lead magnet + brand story + expectations Email 2 (Day 2): Subject, preview, your best value piece (no selling) Email 3 (Day 4): Subject, preview, soft pitch to [MAIN OFFER] + CTA

Placeholders: [BRAND] Your brand [MAIN OFFER] Your primary product

■ **Tip:** The welcome sequence is your single highest-ROI email asset. Treat it like your best sales page.

Prompt #02

7-Email Full Onboarding

Write a 7-email onboarding series for [PRODUCT] customers who just pur

You are email sequence architect. Write a 7-email onboarding series for [PRODUCT] customers who just purchased. Deliver: Day 0: Purchase confirmation + excitement + what happens next Day 1: Quick win tutorial (get result in under 10 min) Day 3: Feature deep dive – the underused feature that 3x results Day 5: Community + social proof compilation Day 7: Upgrade / cross-sell introduction (soft) Day 10: Success check-in + offer to help personally Day 14: 'You're doing great' + loyalty reward or next milestone

Placeholders: [PRODUCT] Your product

■ **Tip:** Day 1 (quick win) is the most important email. Fast results = higher LTV.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #03

SaaS Trial Onboarding — 5 Emails

Write a 5-email trial-to-paid conversion sequence for [SAAS PRODUCT].

You are SaaS onboarding specialist. Write a 5-email trial-to-paid conversion sequence for [SAAS PRODUCT]. Deliver: Email 1 (Day 0): Get started in 5 minutes – the one action that makes trials succeed Email 2 (Day 2): Use case spotlight – how [PERSONA] uses it to get [RESULT] Email 3 (Day 5): Feature they haven't tried yet + why it matters Email 4 (Day 10): Social proof – customers who hesitated then converted Email 5 (Day 13): Trial ending – decision time + upgrade offer + extended trial option

Placeholders: [SAAS PRODUCT] Your SaaS tool [PERSONA] Your primary user type [RESULT] Key outcome

■ **Tip:** Email 5 open rate determines your conversion rate more than any other metric. Subject line A/B test this one.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #04

E-commerce Post-Purchase Onboarding

Write a 4-email post-purchase sequence for [PRODUCT] to reduce buyer's

You are post-purchase experience designer. Write a 4-email post-purchase sequence for [PRODUCT] to reduce buyer's remorse and drive repeat purchase. Deliver: Email 1 (Immediate): Order confirmation with excitement – reinforce the great decision they made Email 2 (Day 2): Usage tip / first-use guide – help them get the most from [PRODUCT] Email 3 (Day 7): 'How's it going?' – personal check-in + review request Email 4 (Day 14): Related product or next logical purchase introduction

Placeholders: [PRODUCT] Your product

■ **Tip:** Email 3 has the highest reply rate of any post-purchase email. It creates conversations that become testimonials.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #05

Membership Welcome Sequence

Write a 5-email welcome sequence for new members of [MEMBERSHIP/COMMUN

You are membership retention specialist. Write a 5-email welcome sequence for new members of [MEMBERSHIP/COMMUNITY]. Deliver: Email 1: Access instructions + most important first steps (3 actions) Email 2: Meet the community – introduce the best member resource or active group Email 3: Member success story – transformation from someone just like them Email 4: Feature tour – the 3 things that make members get the most value Email 5 (Day 7): Monthly rhythm – what happens every week/month, what to expect

Placeholders: [MEMBERSHIP/COMMUNITY] Your membership name

■ **Tip:** Members who engage in week 1 retain at 3x the rate of those who don't. Make the first 7 days count.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #06

Agency Client Onboarding

Write a 4-email client onboarding sequence for [AGENCY] after signing

You are agency client success manager. Write a 4-email client onboarding sequence for [AGENCY] after signing a new client. Deliver: Email 1 (Contract signed): Welcome + what happens this week + single next action Email 2 (Day 2): Introduce the team – names, roles, how to reach each person Email 3 (Day 3): Kickoff meeting confirmation + pre-work to complete Email 4 (Week 2): First progress update – what's been done, what's coming, first win

Placeholders: [AGENCY] Your agency name

■ **Tip:** Set communication expectations in Email 1. Clients who know exactly when they'll hear from you rarely become anxious clients.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #07

Course Student Welcome Sequence

Write a 5-email sequence for new students enrolling in [COURSE NAME].

You are online course conversion specialist. Write a 5-email sequence for new students enrolling in [COURSE NAME]. Deliver: Email 1: Enrollment confirmation + login credentials + course overview Email 2: The fastest path to the transformation they paid for Email 3: Student success story – someone who completed it and got [RESULT] Email 4: Common obstacles and how to overcome them (accountability) Email 5 (Day 7): Check-in – how far have they gotten? + live support offer

Placeholders: [COURSE NAME] Your course [RESULT] The main transformation

■ **Tip:** Students who watch the first module in 24 hours complete the course at 5x the rate of those who wait a week.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #08

Free Trial to Paid — 3-Touch Sequence

Write a high-urgency 3-email sequence for the final 72 hours of a [PRO

You are conversion optimization specialist. Write a high-urgency 3-email sequence for the final 72 hours of a [PRODUCT] free trial. Deliver: Email 1 (72 hours left): What they've accomplished + what they'll lose Email 2 (24 hours left): Comparison – what [PRODUCT] replaces vs the cost of alternatives Email 3 (2 hours left): Final call – the exact ROI of upgrading based on their usage

Placeholders: [PRODUCT] Your trial product

■ **Tip:** The 2-hour email has a 40%+ higher conversion rate than the 24-hour email. Never skip the final send.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 2

Launch & Promotional Sequences (10 prompts)

Prompt #09

7-Email Product Launch Sequence

Write a 7-email launch sequence for [PRODUCT] with a [X]-day open cart

You are product launch email strategist. Write a 7-email launch sequence for [PRODUCT] with a [X]-day open cart. Deliver: Pre-launch: Email 1 (7 days before) – Tease + problem agitation Pre-launch: Email 2 (1 day before) – Full reveal + early-bird offer Launch: Email 3 (Day 1, AM) – It's open + full offer + bonus stack Launch: Email 4 (Day 3) – Customer success story / beta result Launch: Email 5 (Day 5) – FAQ email – answer every objection Close: Email 6 (24h left) – Countdown + cost of not acting Close: Email 7 (3h left) – Final chance – the real reason to act now

Placeholders: [PRODUCT] Your product [X] Cart open days

■ **Tip:** Email 7 generates 30-40% of total launch revenue. Never skip the final-hours email.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #10

Flash Sale 3-Email Campaign

Write a 3-email flash sale sequence for [BRAND] — 24-48 hour sale.

You are promotional email specialist. Write a 3-email flash sale sequence for [BRAND] — 24-48 hour sale. Deliver: Email 1 (Launch): Subject (3 variants) + full announcement with urgency + hero offer Email 2 (Midpoint): Who's already in + social proof + address top objection Email 3 (Final hours): Hard deadline + FOMO + last push CTA

Placeholders: [BRAND] Your brand [OFFER] What's on sale [DISCOUNT] Sale percentage or amount

■ **Tip:** Flash sale Email 3 sent at 2 hours before deadline consistently generates 35-50% of total sale revenue.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #11

Webinar Promotion Sequence

Write a 5-email webinar promotion and follow-up sequence for [WEBINAR]

You are webinar funnel specialist. Write a 5-email webinar promotion and follow-up sequence for [WEBINAR TOPIC]. Deliver: Email 1 (7 days out): Invitation – why this webinar why now Email 2 (3 days out): What to expect – specific outcomes promised Email 3 (Day of): Last reminder + technical details + anticipation Email 4 (Day after): Replay + summary of key insights Email 5 (Day 3): Final offer close for non-buyers

Placeholders: [WEBINAR TOPIC] Your webinar topic [OFFER] The product pitched at the end

■ **Tip:** The replay email is where 30-40% of post-webinar sales happen. Treat it like a standalone sales email.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #12

Evergreen Launch — 10-Email Sequence

Write a 10-email evergreen launch sequence triggered by a lead magnet

You are evergreen funnel architect. Write a 10-email evergreen launch sequence triggered by a lead magnet opt-in for [PRODUCT]. Deliver: Days 1-3: Education + value (no selling) Day 4: Soft introduction to [PRODUCT] Days 5-7: Proof, stories, and objection crushing Day 8: Limited-time offer (artificial scarcity – be honest about it) Day 9: FAQ email Day 10: Final close with deadline

Placeholders: [PRODUCT] Your product

■ **Tip:** Evergreen funnels only work if the value emails (Days 1-3) are genuinely outstanding. Don't rush to the pitch.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #13

Black Friday/BFCM 6-Email Campaign

Write a 6-email BFCM campaign for [BRAND] covering Thanksgiving through

You are seasonal promotion specialist. Write a 6-email BFCM campaign for [BRAND] covering Thanksgiving through Cyber Monday. Deliver: Email 1 (Thanksgiving): Early access or preview for loyal subscribers Email 2 (Black Friday AM): Big launch – the offer, the urgency, the save Email 3 (Black Friday PM): Social proof – who's already in + bestsellers Email 4 (Saturday): Extension or upsell – 'Last chance to add [X]' Email 5 (Sunday): Cyber Monday preview – what's changing tomorrow Email 6 (Cyber Monday): Final push – last hours of the best deal

Placeholders: [BRAND] Your brand [OFFER] Your BFCM offer

■ **Tip:** Send Email 6 at 9pm. The late-evening send on Cyber Monday has 2x higher conversion rate than daytime.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #14

New Year Campaign — 4 Emails

Write a New Year promotional email campaign for [BRAND] targeting reso

You are seasonal campaign specialist. Write a New Year promotional email campaign for [BRAND] targeting resolution-driven buyers. Deliver: Email 1 (Jan 1): New year, new opportunity framing – connect [PRODUCT] to their #1 resolution Email 2 (Jan 3): The cost of last year's unresolved problem (financial + emotional) Email 3 (Jan 5): What's different this year if they use [PRODUCT] Email 4 (Jan 7): Special New Year offer with deadline

Placeholders: [BRAND] Your brand [PRODUCT] Your product [RESOLUTION] Relevant resolution your product serves

■ **Tip:** January buyers have 40% higher LTV on average because they're in 'change mode'. Sell transformation, not features.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #15

Anniversary and Milestone Campaign

Write a 3-email brand anniversary or milestone campaign for [BRAND].

You are brand loyalty specialist. Write a 3-email brand anniversary or milestone campaign for [BRAND]. Deliver: Email 1: The story behind the milestone – origin, journey, where you started vs now Email 2: Customer appreciation + exclusive offer as a thank you Email 3: What's next – vision for the future + invitation to be part of it

Placeholders: [BRAND] Your brand [MILESTONE] The anniversary or achievement

■ **Tip:** Milestone emails have the highest open rates of any promotional email — people want to celebrate with you.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #16

Product Relaunch or Update Campaign

Write a 4-email campaign for a major [PRODUCT] update or relaunch.

You are product marketing specialist. Write a 4-email campaign for a major [PRODUCT] update or relaunch. Deliver: Email 1: Teaser – something big is changing Email 2: Full reveal – what changed, why, what's better now Email 3: Early adopter offer – get the new version at the best price Email 4: Social proof from beta users of new version

Placeholders: [PRODUCT] Your product [UPDATE] What changed

■ **Tip:** Product update emails to existing customers convert at 3-5x the rate of new customer acquisition emails.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #17

Countdown Email Sequence — Any Deadline

Write a 4-email countdown sequence for any expiring [OFFER] ending in

You are urgency email specialist. Write a 4-email countdown sequence for any expiring [OFFER] ending in [X DAYS]. Deliver: Email 1 (X days out): Offer reminder – what they're considering + key benefit Email 2 (48h left): Objection handler + social proof Email 3 (24h left): Tomorrow it's gone – what that means Email 4 (2-4h left): Final warning – don't wake up tomorrow wishing you had

Placeholders: [OFFER] What expires [X DAYS] Days until deadline

■ **Tip:** The psychology of loss drives more action than the psychology of gain. All 4 emails should frame loss, not just benefit.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #18

Partner Co-Promotion Email Campaign

Write a 3-email co-promotion sequence for [BRAND A] promoting [BRAND B]

You are partnership marketing specialist. Write a 3-email co-promotion sequence for [BRAND A] promoting [BRAND B]'s offer to their list. Deliver: Email 1: The personal recommendation – why I'm endorsing this, my specific experience Email 2: The case study – how a customer like you used [BRAND B] to get [RESULT] Email 3: Final push + affiliate link with any exclusive bonus

Placeholders: [BRAND A] Your brand [BRAND B] Partner brand [RESULT] Key outcome

■ **Tip:** Personal endorsement email (Email 1) needs to feel written by a human, not a company. Use first-person voice throughout.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 3

Re-engagement & Win-Back (7 prompts)

Prompt #19

5-Email Win-Back Sequence

Write a 5-email win-back sequence for subscribers inactive for [X] day

You are list health specialist. Write a 5-email win-back sequence for subscribers inactive for [X] days. Deliver: Email 1: 'Are we breaking up?' – humorous, warm, zero pressure Email 2: 'What changed?' – genuine curiosity, invite reply Email 3: Your single best piece of content ever – pure value Email 4: A free gift – no strings, just generosity Email 5: The choice – 'Last email unless you click here'

Placeholders: [X] Days of inactivity (e.g. 90)

■ **Tip:** Email 5 (the breakup) consistently gets the highest click rate. Subject line: make not opening it feel like a real loss.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #20

Customer Win-Back After Cancellation

Write a 3-email sequence to win back customers who cancelled [SUBSCRIP

You are churn recovery specialist. Write a 3-email sequence to win back customers who cancelled [SUBSCRIPTION/SERVICE]. Deliver: Email 1 (Cancel day): No guilt, just care – 'Can I ask why?' + pause option Email 2 (Day 7): Address the most common cancel reason with new solution Email 3 (Day 21): Win-back offer – come back at special rate

Placeholders: [SUBSCRIPTION/SERVICE] Your product

■ **Tip:** Offer a pause instead of cancel. Customers who pause return at 60% — those who cancel return at only 15%.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #21

Dormant Customer Reactivation

Write a 3-email campaign for customers who bought once 6+ months ago b

You are customer reactivation specialist. Write a 3-email campaign for customers who bought once 6+ months ago but never returned. Deliver: Email 1: 'We miss you' – acknowledge the time + what's new since they last engaged Email 2: What other customers like them are doing now with [PRODUCT] Email 3: Come back offer – exclusive returning customer incentive

Placeholders: [PRODUCT] Your product

■ **Tip:** Single-purchase customers who are reactivated have 5x higher LTV than new customers. Treat this list like gold.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #22

Unsubscribe Rescue Email

Write a single high-converting email to send when someone clicks unsub

You are retention email specialist. Write a single high-converting email to send when someone clicks unsubscribe from [NEWSLETTER/LIST]. Deliver: Structure: Before they confirm unsubscribe, send one final email. 1. Acknowledge their intent (no guilt) 2. Offer preference options (frequency, topics) instead of full unsubscribe 3. Last-ditch value offer (your best thing for free) 4. Easy one-click to actually unsubscribe if they still want to

Placeholders: [NEWSLETTER/LIST] Your list name

■ **Tip:** Preference centers reduce unsubscribes by 25-40%. Give people control before they leave entirely.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #23

Re-engagement Based on Behavior

Write a triggered re-engagement email for a subscriber who [VIEWED X]

You are behavioral email specialist. Write a triggered re-engagement email for a subscriber who [VIEWED X] but didn't act within 48 hours. Deliver: Structure: 1. Subject: Reference exactly what they viewed (personalized) 2. Acknowledge: 'You were looking at [X]...' 3. Address: The likely reason they didn't act 4. New angle: Introduce something they haven't seen about [X] 5. Remove friction: Make the next step smaller than what they originally considered

Placeholders: [VIEWED X] e.g. pricing page, product page, webinar registration

■ **Tip:** Behavioral triggers have 5x higher open rates than broadcast emails. Specificity = relevance = conversion.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #24

Survey-Based Re-engagement

Write a 2-email survey sequence to re-engage cold subscribers while ga

You are customer insight specialist. Write a 2-email survey sequence to re-engage cold subscribers while gaining insight. Deliver: Email 1: The survey invitation – 'Help me understand what you need' + link to 3-question survey Email 2 (after survey): Personalized follow-up based on their survey answer, offering the specific thing they said they needed

Placeholders: [BRAND] Your brand [SURVEY TOPIC] What you want to learn

■ **Tip:** Survey emails have the highest reply rates in email marketing. People love being asked their opinion.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #25

List Hygiene — Sunset Sequence

Write a 2-email sunset sequence to cleanly remove inactive subscribers

You are list management specialist. Write a 2-email sunset sequence to cleanly remove inactive subscribers while protecting deliverability. Deliver: Email 1 (Last chance): 'We're cleaning our list – click here to stay' - Subject that makes staying feel valuable, not removing feel punitive - One-click confirmation to remain subscribed Email 2 (No-click after 7 days): Goodbye with grace - Brief, kind, no guilt - Invitation to resubscribe anytime - Unsubscription confirmation

■ **Tip:** Remove unengaged subscribers every 90-180 days. A clean list of 5,000 engaged people outperforms 50,000 cold ones.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 4

Post-Purchase & Upsell (8 prompts)

Prompt #26

5-Email Post-Purchase Upsell Sequence

Write a 5-email upsell sequence triggered by purchase of [INITIAL PROD

You are post-purchase revenue specialist. Write a 5-email upsell sequence triggered by purchase of [INITIAL PRODUCT]. Deliver: Email 1: Confirm + celebrate + hint at what's possible next Email 2 (Day 2): Quick win help – get first result from [PRODUCT] fast Email 3 (Day 4): Natural introduction to [UPSELL PRODUCT] Email 4 (Day 6): Social proof from customers who have both Email 5 (Day 8): Time-limited upsell offer – exclusive price, 48h window

Placeholders: [INITIAL PRODUCT] What they bought [UPSELL PRODUCT] What to sell next

■ **Tip:** Email 2 (quick win) is the trust-builder. Higher first-result rate = higher upsell conversion.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #27

Cross-Sell Email — Related Products

Write a single high-converting cross-sell email recommending [PRODUCT

You are cross-sell specialist. Write a single high-converting cross-sell email recommending [PRODUCT B] to buyers of [PRODUCT A]. Deliver: Structure: 1. Acknowledge their [PRODUCT A] purchase + quick win tip 2. Natural bridge: 'Customers who have [A] also love [B] because...' 3. Specific use case where [A] + [B] together = [BETTER RESULT] 4. Social proof: customer who uses both 5. The offer: [PRODUCT B] + any bundle discount

Placeholders: [PRODUCT A] First product [PRODUCT B] Complementary product [BETTER RESULT] Combined outcome

■ **Tip:** Cross-sell emails sent at Day 7 post-purchase convert at 2-3x higher rate than Day 1.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #28

Review and Referral Request Sequence

Write a 3-email post-purchase review + referral sequence.

You are customer advocacy specialist. Write a 3-email post-purchase review + referral sequence. Deliver: Email 1 (Day 7): Casual check-in – 'How's it going?' – no ask yet Email 2 (Day 10): Review request – 'Quick favor?' – specific platform, 2-minute time commitment Email 3 (Day 14): Referral ask – 'Know someone who'd love this?' – share link + incentive

Placeholders: [PRODUCT] Your product [REVIEW PLATFORM] Google/Amazon/Trustpilot/other

■ **Tip:** Sequence Email 1 (no ask) doubles the conversion of Email 2. Warmth before the ask.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #29

Subscription Renewal Campaign

Write a 3-email renewal campaign for [SUBSCRIPTION] coming up for rene

You are subscription retention specialist. Write a 3-email renewal campaign for [SUBSCRIPTION] coming up for renewal in 30 days. Deliver: Email 1 (30 days): Preview of what's coming in year 2 – value they haven't seen yet Email 2 (14 days): Review of year 1 – what they've accomplished, metrics, wins Email 3 (3 days): Renewal confirmation + loyalty reward + easy renew CTA

Placeholders: [SUBSCRIPTION] Your subscription product

■ **Tip:** 'Review of year 1' email (Email 2) has the highest renewal conversion because it makes the value tangible.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #30

Upgrade Campaign for Free/Basic Users

Write a 4-email campaign to upgrade [FREE/BASIC] users to [PAID/PREMIU

You are product upgrade specialist. Write a 4-email campaign to upgrade [FREE/BASIC] users to [PAID/PREMIUM]. Deliver: Email 1: The value they're leaving on the table (features they can't access) Email 2: Customer comparison – free user results vs paid user results (with data) Email 3: The upgrade trigger – common event that makes upgrade obviously worthwhile Email 4: Special upgrade offer – price or bonus, time-limited

Placeholders: [FREE/BASIC] Current tier [PAID/PREMIUM] Upgrade tier

■ **Tip:** Lead with what they're missing, not what they're getting. Loss aversion outperforms benefit presentation.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #31

Anniversary and Loyalty Email

Write a 3-email sequence celebrating a customer's [1 YEAR / ANNIVERSAR

You are customer retention specialist. Write a 3-email sequence celebrating a customer's [1 YEAR / ANNIVERSARY] with [BRAND]. Deliver: Email 1: The anniversary acknowledgment – personal, grateful, specific to their journey Email 2: Your biggest customer benefit – exclusive access, early release, or VIP offer Email 3: Thank you gift – free resource, discount, or exclusive invite

Placeholders: [BRAND] Your brand [ANNIVERSARY] Milestone period

■ **Tip:** Anniversary emails sent on the exact date have 3x higher open rates than those sent within the general window.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #32

Bundle and Savings Offer Email

Write a single high-converting email offering a [BUNDLE] of products t

You are bundle offer specialist. Write a single high-converting email offering a [BUNDLE] of products to previous customers. Deliver: Structure: 1. Segment acknowledgment: 'Because you've tried [PRODUCT X]...' 2. Bundle presentation: What's included, total value, bundle price 3. The savings math: '\$[RETAIL] → \$[BUNDLE PRICE] = \$[SAVINGS] off' 4. Why this bundle makes sense: The combined outcome 5. Deadline: Limited time or limited availability

Placeholders: [BUNDLE] Bundle name and contents [PRODUCT X] What they previously bought

■ **Tip:** Bundle offers to existing customers convert at 15-25% — 5x higher than to cold audiences.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #33

Loyalty Tier Unlock Email

Write a celebration email when a customer unlocks a new loyalty tier i

You are loyalty program specialist. Write a celebration email when a customer unlocks a new loyalty tier in [BRAND]'s program. Deliver: Structure: 1. Congratulations — name the tier they unlocked + what triggered it 2. New benefits they now have access to (specific and exciting) 3. What the next tier looks like (plant the next goal) 4. First exclusive benefit they can use right now

Placeholders: [BRAND] Your brand [TIER] The loyalty tier unlocked

■ **Tip:** Loyalty tier unlock emails have 70%+ open rates. They're the highest-performing email in your entire library.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 5

Cold Outreach (8 prompts)

Prompt #34

Research-Led Cold Email — 5 Sentence Framework

Write the perfect research-led cold email system for [OFFER] targeting

You are B2B cold email specialist. Write the perfect research-led cold email system for [OFFER] targeting [ROLE]. Deliver: Framework (5 sentences max): 1. Hyper-personalized opener (reference their specific LinkedIn post, company news, or achievement) 2. Credibility bridge (who you are in one clause) 3. The insight (something they might not know about their situation) 4. The offer (what you can do about it) 5. The micro-ask (single, lowest-commitment CTA) Write 3 complete cold emails targeting 3 different [ROLE] scenarios.

Placeholders: [OFFER] Your product/service [ROLE] Target job title and company type

■ **Tip:** Research each prospect for 2 minutes before sending. One specific line about them is worth more than your entire pitch.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #35

Cold Email Follow-Up Sequence — 4 Emails

Write a 4-email follow-up sequence for unreplied cold outreach to [ROL

You are cold outreach specialist. Write a 4-email follow-up sequence for unreplied cold outreach to [ROLE]. Deliver: FU1 (Day 3): Soft bump — different angle, shorter than original FU2 (Day 7): Add value — a relevant resource, insight, or article (no pitch) FU3 (Day 14): Pattern interrupt — humor, bold question, or unusual approach FU4 (Day 21): Breakup email — 'Closing your file...'

Placeholders: [ROLE] Target prospect role

■ **Tip:** The breakup email (FU4) gets the highest reply rate of the sequence. It creates urgency and feels genuine.

Prompt #36

LinkedIn Connection + Message System

Write a LinkedIn outreach system for [SERVICE/PRODUCT] targeting [IDEA

You are LinkedIn outreach specialist. Write a LinkedIn outreach system for [SERVICE/PRODUCT] targeting [IDEAL CLIENT]. Deliver: Connection request note (under 300 chars): - Reference something specific about their profile or content - No pitch — just a genuine reason to connect Message 1 (after they accept): Introduce yourself, offer value, no ask Message 2 (Day 3): Relevant resource or insight Message 3 (Day 7): The ask — specific, small, relevant to their situation

Placeholders: [SERVICE/PRODUCT] What you offer [IDEAL CLIENT] Who you're targeting

■ **Tip:** Connection requests with a personalized note get accepted at 3x the rate of blank requests.

Prompt #37

Cold Call Script + Objection Library

Write a complete cold call script and objection handling library for [

You are B2B sales coach. Write a complete cold call script and objection handling library for [PRODUCT/SERVICE]. Deliver: Opening (under 15 seconds): Pattern interrupt + value in one sentence Permission ask: Never assume – always ask if you have 27 seconds Discovery question: One powerful question that opens a conversation Bridge to next step: What you're asking for (demo/call/email) Objection library (full rebuttals for 8 objections): 1. Send me an email | 2. Not interested | 3. Already have something 4. No budget | 5. Not the right time | 6. Who are you? 7. We don't need this | 8. I'm not the decision maker

Placeholders: [PRODUCT/SERVICE] What you sell [TARGET] Job title and industry

■ **Tip:** Best cold call opener: Reference something specific they did publicly. 'I saw your LinkedIn post about X...'

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #38

Video Prospecting Script

Write 3 personalized video prospecting scripts (under 60 seconds) for

You are video sales specialist. Write 3 personalized video prospecting scripts (under 60 seconds) for [TARGET ROLE]. Deliver: Script 1 – Problem-Led: Start with their specific pain point (reference something public) Script 2 – Result-Led: Start with a specific result you got for a similar company Script 3 – Insight-Led: Share a counterintuitive finding relevant to their role For each: Full verbatim script + B-roll/screen-share suggestions + thumbnail text

Placeholders: [TARGET ROLE] Who you're targeting [COMPANY] Their company type

■ **Tip:** Video prospecting gets 3-5x higher reply rates than text emails. 30-45 seconds is the sweet spot.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #39

Referral Prospecting Email

Write a referral email asking [EXISTING CUSTOMER] to introduce you to

You are referral selling specialist. Write a referral email asking [EXISTING CUSTOMER] to introduce you to [PROSPECT] they know. Deliver: Structure: 1. Reference specific value you delivered to [CUSTOMER] 2. Ask if they know anyone facing [SPECIFIC PROBLEM] 3. Make the introduction easy – provide a forwarded message template 4. Offer a thank you for any introduction made

Placeholders: [EXISTING CUSTOMER] The happy customer [PROSPECT] Ideal referral profile

■ **Tip:** Warm introductions convert to meetings at 50%+ — cold outreach converts at 1-2%. Referral selling is your highest ROI activity.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #40

Inbound Lead Follow-Up — Speed Sequence

Write a 3-contact speed follow-up sequence for leads who just requeste

You are lead response specialist. Write a 3-contact speed follow-up sequence for leads who just requested [DEMO/QUOTE/INFO]. Deliver: Contact 1 (under 5 minutes): Call script + voicemail if no answer Contact 2 (15 minutes): Email – personalized to what they requested Contact 3 (1 hour): SMS/text – ultra-brief, clear ask

Placeholders: [DEMO/QUOTE/INFO] What they requested

■ **Tip:** Responding to inbound leads within 5 minutes increases qualification rate by 400% vs 30 minutes. Speed wins.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #41

Event and Conference Prospecting

Write a complete event prospecting sequence: before, during, and after

You are event networking specialist. Write a complete event prospecting sequence: before, during, and after [EVENT]. Deliver: Before (1 week): Pre-event email to people you want to meet During (day of): Follow-up template for people you meet (send same day) After (24 hours): Post-event email – reference specific conversation After (1 week): Follow-up to those who didn't respond to Day 1 email

Placeholders: [EVENT] Conference or event name

■ **Tip:** Send the 'nice to meet you' email within 4 hours of meeting someone. After 24 hours, open rates drop by 60%.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 6

Promotional & Broadcast (8 prompts)

Prompt #42

New Product Announcement Email

Write a new product announcement email for [PRODUCT] to [EXISTING AUDI

You are product launch specialist. Write a new product announcement email for [PRODUCT] to [EXISTING AUDIENCE]. Deliver: Structure: 1. Subject: Announce with excitement, not buzzwords 2. The news: What it is + why you built it 3. Who it's for: Specific use case + customer type 4. The difference: One thing that makes it unlike alternatives 5. Early access: Special offer for your existing audience 6. CTA: One action

Placeholders: [PRODUCT] New product/feature [EXISTING AUDIENCE] Subscribers or customers

■ **Tip:** Existing audience gets first access — this is the privilege of being on your list. Frame it that way.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #43

Content Roundup Newsletter

Write a monthly content roundup email for [BRAND/NEWSLETTER] in [NICHE]

You are content newsletter specialist. Write a monthly content roundup email for [BRAND/NEWSLETTER] in [NICHE]. Deliver: Structure: 1. The hook (something that happened this month + lesson) 2. Best content piece you created (+ why to read/watch/listen) 3. Best external resource you found (+ your take) 4. Counterintuitive insight from the month 5. What's coming next month 6. One ask (reply, share, review, or buy) 7. P.S. (most read part – put your best thing here)

Placeholders: [BRAND/NEWSLETTER] Your publication [NICHE] Your topic area

■ **Tip:** Monthly roundups work better than weekly for busy audiences. They read them more completely.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #44

Price Increase Announcement

Write a price increase announcement email for [PRODUCT] — transparent,

You are pricing communication specialist. Write a price increase announcement email for [PRODUCT] – transparent, fair, and loyalty-rewarding. Deliver: Structure: 1. Subject: Honest, direct (never hide a price increase in a sneaky subject) 2. The news: Price is increasing on [DATE] from [\$X] to [\$Y] 3. The why: Real reason (costs, value added, sustainability) – not corporate speak 4. The loyalty lock: Current customers lock in old price until [DATE] 5. Last chance: Clear deadline to secure current pricing 6. What doesn't change: Reassurance about service/product quality

Placeholders: [PRODUCT] Your product [DATE] Price change date [\$X] Old price [\$Y] New price

■ **Tip:** Price increase emails to existing customers are one of your most important trust moments. Be transparent or lose them.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #45

Giveaway and Contest Email

Write a 3-email giveaway campaign for [BRAND] to grow subscribers and

You are contest marketing specialist. Write a 3-email giveaway campaign for [BRAND] to grow subscribers and engagement. Deliver: Email 1 (Launch): Giveaway announcement – what's up for grabs, how to enter, when it ends Email 2 (Midpoint): Reminder + bonus entry options + create urgency with entries remaining Email 3 (Close): Winner announcement + non-winner offer

Placeholders: [BRAND] Your brand [PRIZE] What you're giving away

■ **Tip:** Giveaways grow lists fast but with low-quality subscribers. Gate entry behind an action (share, refer) to improve quality.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #46

Partnership Announcement Email

Write an announcement email for a new partnership between [BRAND] and

You are partnership marketing specialist. Write an announcement email for a new partnership between [BRAND] and [PARTNER]. Deliver: Structure: 1. The announcement: Who you've partnered with and why 2. What it means for your subscribers: Specific benefit they get from this partnership 3. The combined offer: Exclusive deal only available to your audience 4. The deadline: Limited window for the partnership offer 5. CTA: One clear action

Placeholders: [BRAND] Your brand [PARTNER] Partner company

■ **Tip:** Framing matters: 'We partnered with X because our customers keep asking for...' is 3x more persuasive than 'We're excited to announce...'

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #47

Limited Edition / Restocked Product Email

Write a high-urgency email for a [LIMITED EDITION] or restocked [PRODU

You are scarcity marketing specialist. Write a high-urgency email for a [LIMITED EDITION] or restocked [PRODUCT]. Deliver: Structure: 1. The announcement (subject must communicate rarity) 2. Why it's limited/back: The real reason 3. Who it's for: Specific customer type 4. The history: If returning, reference past customers who missed it 5. The quantity/deadline: Exact number or exact end date (be honest) 6. One CTA: Buy now – make the path to checkout as short as possible

Placeholders: [LIMITED EDITION] Product name [PRODUCT] Your item

■ **Tip:** If you announce 'limited edition' and it sells out, save the customer list who clicked but didn't buy — they're your best future buyers.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #48

Negative News or Apology Email

Write an apology or negative-news email from [BRAND] to customers about

You are brand reputation specialist. Write an apology or negative-news email from [BRAND] to customers about [ISSUE]. Deliver: Structure: 1. Subject: Direct acknowledgment, not euphemism 2. What happened: Plain language, no corporate speak 3. Who was affected: Be specific about the scope 4. What you're doing: Concrete actions, not vague promises 5. What you've already done: Past tense actions build more trust 6. The make-good: What customers receive as a result 7. Future prevention: One sentence on what changes

Placeholders: [BRAND] Your brand [ISSUE] What happened

■ **Tip:** Honest apology emails with concrete actions increase brand trust. Vague apologies with 'we take this seriously' destroy it.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #49

Seasonal Engagement Email — Non-Promotional

Write a seasonal email for [BRAND] that builds relationship without a

You are relationship email specialist. Write a seasonal email for [BRAND] that builds relationship without a sales pitch. Deliver: Structure: 1. Acknowledge the season/moment genuinely 2. Connect the season to your brand's values or your audience's life 3. Share something personal or behind-the-scenes 4. Give a gift (insight, resource, tip) with no reciprocation expected 5. Invite a reply to a genuine question No CTA to buy. Just connect.

Placeholders: [BRAND] Your brand [SEASON] Holiday or seasonal moment

■ **Tip:** Non-promotional relationship emails improve deliverability and open rates for future promotional emails. Send 1 per month.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 7

Newsletter & Content (8 prompts)

Prompt #50

The CURVE Newsletter Framework

Write a complete newsletter issue using the CURVE framework for [PUBLI

You are newsletter growth expert. Write a complete newsletter issue using the CURVE framework for [PUBLICATION]. Deliver: C – Curated: Best resource you found this week with your specific take U – Unique: One insight nobody else in [NICHE] is saying R – Real: One story from your week that illustrates a lesson V – Value: One immediately actionable tip (apply in next 24 hours) E – Engaged: One question that makes readers want to reply + Subject line, opening hook, P.S. section

Placeholders: [PUBLICATION] Your newsletter name [NICHE] Your topic area

■ **Tip:** Newsletters with a question (the E in CURVE) get 300%+ more replies. Replies improve deliverability significantly.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #51

The Thought Leadership Email

Write a thought leadership email taking a clear position on [CONTROVER

You are authority content specialist. Write a thought leadership email taking a clear position on [CONTROVERSIAL TOPIC IN YOUR NICHE]. Deliver: Structure: 1. The contrarian position: State it clearly, without hedging 2. Why most people believe the opposite (and why they're wrong) 3. Your evidence: 3 specific reasons for your position 4. The implication: What this means for your reader 5. Invite disagreement: 'Am I wrong? Reply and tell me why' Length: 400-600 words

Placeholders: [CONTROVERSIAL TOPIC IN YOUR NICHE] A topic where you have a strong view

■ **Tip:** Emails that take a stand get 2x more replies and are forwarded 5x more than agreeable content.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #52

The Behind-the-Scenes Email

Write a behind-the-scenes email revealing what really happened at [BRA

You are authentic content specialist. Write a behind-the-scenes email revealing what really happened at [BRAND] this week/month. Deliver: Share: 1. Something that went wrong + what you learned 2. A decision you made + the reasoning behind it 3. A metric you're proud of (or not proud of) + the context 4. A team member or process that's making a difference 5. What's coming next that nobody knows about yet Tone: Human, specific, honest. No PR spin.

Placeholders: [BRAND] Your brand

■ **Tip:** Behind-the-scenes emails have the highest forward rates of any content email. People share authentic stories.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #53

The Teaching Email

Write a deep-dive teaching email on [SPECIFIC TOPIC] for [AUDIENCE].

You are expert educator. Write a deep-dive teaching email on [SPECIFIC TOPIC] for [AUDIENCE]. Deliver: Structure: 1. The hook: A surprising fact or question that makes them need to read this 2. The core lesson: Explain [TOPIC] in 5 clear sections with subheadings 3. The common mistake: What most people get wrong about [TOPIC] 4. The shortcut: What experts know that saves time 5. The application: One thing to do in the next hour with this knowledge 6. The CTA: Point to your product/service only if genuinely relevant

Placeholders: [SPECIFIC TOPIC] The lesson to teach [AUDIENCE] Your subscribers

■ **Tip:** Teaching emails build more trust per word than any other format. They're the foundation of email authority.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #54

The Curated Resources Email

Write a curated resources email sharing the [5-7] best [RESOURCE TYPE]

You are content curator. Write a curated resources email sharing the [5-7] best [RESOURCE TYPE] in [NICHE] this month. Deliver: For each resource: • Name + link • One-sentence description • Your specific take: why this one, what to pay attention to Opening: What this collection has in common / the theme of this month Closing: What you're looking for / watching next month P.S.: Your own content that's relevant to this theme

Placeholders: [RESOURCE TYPE] Articles/tools/books/podcasts [NICHE] Your subject area

■ **Tip:** Curated resource emails get shared more than any other format. They position you as the filter in your niche.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #55

The Controversial Opinion Email

Write an email sharing your controversial opinion about [STANDARD BELIEF]

You are opinion writer. Write an email sharing your controversial opinion about [STANDARD BELIEF IN YOUR INDUSTRY]. Deliver: Structure: 1. Name the belief everyone holds 2. Share your opposite position (clearly, not coyly) 3. The story that changed your mind 4. The evidence that backs you up 5. What most people miss because of this false belief 6. What to do instead Make it actually controversial – take a real stand, not a mild preference.

Placeholders: [STANDARD BELIEF IN YOUR INDUSTRY] The conventional wisdom you disagree with

■ **Tip:** Emails that challenge orthodoxy generate 5x more replies and unsubscribes — both are good signals. Bland content is invisible.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #56

The Story Email

Write a compelling story email that illustrates [LESSON] for [AUDIENCE]

You are narrative email specialist. Write a compelling story email that illustrates [LESSON] for [AUDIENCE]. Deliver: Structure: 1. In medias res opening: Start in the middle of the action 2. The situation: Set the scene quickly (2-3 sentences) 3. The turning point: The moment everything changed 4. The lesson: What this story reveals 5. The application: How your reader faces a similar situation 6. The bridge: Connect the lesson to your product/service (optional but powerful)

Placeholders: [LESSON] The insight the story illustrates [AUDIENCE] Your subscribers

■ **Tip:** Story emails have 40% lower unsubscribe rates than promotional emails. They build relationship, not just revenue.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #57

The Reader Q&A; Email

Write a reader Q&A; email answering the [TOP 3] questions received about

You are expert Q&A host. Write a reader Q&A email answering the [TOP 3] questions received about [TOPIC]. Deliver: Format: • Brief intro: 'You've been asking about [TOPIC] – here are the three questions I get most' • Q1: Full question (paraphrase to protect privacy) + your complete answer (200 words) • Q2: Full question + answer • Q3: Full question + answer • Closing: 'What else do you want to know? Reply here.' Tone: Conversational, specific, expert but approachable.

Placeholders: [TOPIC] The subject your audience asks about most

■ **Tip:** Q&A; emails get the highest reply rates of any format because readers see themselves in the questions.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 8

B2B Nurture (7 prompts)

Prompt #58

6-Email B2B Lead Nurture Track

Write a 6-email nurture track for leads who downloaded [LEAD MAGNET] f

You are B2B demand generation specialist. Write a 6-email nurture track for leads who downloaded [LEAD MAGNET] from [COMPANY]. Deliver: Email 1 (Immediate): Deliver the resource + the single most important insight from it Email 2 (Day 3): Educational deep dive on the #1 challenge the lead magnet addresses Email 3 (Day 7): Case study – how a company exactly like theirs solved this problem Email 4 (Day 10): The mistake most companies make with [TOPIC] Email 5 (Day 14): Social proof – 3 quotes from customers in their industry Email 6 (Day 21): Direct ask – 'Is it worth 20 minutes to explore this?'

Placeholders: [LEAD MAGNET] What they downloaded [COMPANY] Your company [TOPIC] The problem you solve

■ **Tip:** Email 4 ('the mistake') has the highest open rate in B2B nurture. Put your best insight there.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #59

Executive Nurture — C-Suite Track

Write a 4-email nurture sequence specifically for C-suite prospects at

You are executive sales specialist. Write a 4-email nurture sequence specifically for C-suite prospects at [TARGET COMPANY SIZE]. Deliver: Email 1: The business impact framing – connect [PRODUCT] to a board-level priority Email 2: Peer reference – 'Here's how a [SIMILAR EXECUTIVE TITLE] at [SIMILAR COMPANY] uses this' Email 3: ROI story – specific financial outcome, specific timeframe Email 4: Strategic ask – 15-minute executive briefing, not a demo

Placeholders: [TARGET COMPANY SIZE] e.g. 500-5000 employee companies

■ **Tip:** C-suite buyers respond to business outcomes, not features. Every sentence should connect to revenue, risk, or efficiency.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #60

Mid-Market Account Nurture

Write a 5-email ABM nurture sequence for [TARGET ACCOUNT] at [COMPANY]

You are account-based marketing specialist. Write a 5-email ABM nurture sequence for [TARGET ACCOUNT] at [COMPANY]. Deliver: Email 1: Industry insight specific to their vertical Email 2: Reference a recent company announcement (hiring, product launch, earnings) Email 3: Competitor or market challenge they're likely facing Email 4: How a peer company in their space addressed this challenge Email 5: Specific offer relevant to their situation

Placeholders: [TARGET ACCOUNT] Account you're targeting [COMPANY] Their company

■ **Tip:** ABM sequences with specific company research outperform generic sequences by 5-10x. Research = relevance = response.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #61

Champion Nurture — Keep Internal Advocate Warm

Write a 4-email sequence to nurture your internal champion at [PROSPECT]

You are B2B champion nurture specialist. Write a 4-email sequence to nurture your internal champion at [PROSPECT COMPANY] during a long sales cycle. Deliver: Email 1 (Week 2): Relevant thought leadership piece to share with their team Email 2 (Week 4): Objection-handling content for likely internal questions Email 3 (Week 6): Proof their competitor or peer just succeeded with [SOLUTION] Email 4 (Week 8): Easy win — something they can use or share immediately

Placeholders: [PROSPECT COMPANY] The target company [SOLUTION] Your solution

■ **Tip:** Your champion's ability to sell internally is limited by the ammunition you give them. These emails are their ammunition.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #62

Partnership & Channel Nurture

Write a 4-email nurture sequence for potential channel partners and re

You are channel partner specialist. Write a 4-email nurture sequence for potential channel partners and resellers of [PRODUCT]. Deliver: Email 1: Partner value proposition – what other partners earn/achieve Email 2: The partnership model – how it works, what they do, what you provide Email 3: Partner success story – one partner's revenue and growth Email 4: Partnership offer – next steps to become a partner

Placeholders: [PRODUCT] Your product

■ **Tip:** The partner success story (Email 3) is the most important email. Proof of partner revenue converts better than your pitch.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #63

Investor Nurture Sequence

Write a 4-email sequence to keep warm leads from investor meetings eng

You are investor relations specialist. Write a 4-email sequence to keep warm leads from investor meetings engaged until the next touchpoint. Deliver: Email 1 (Week 1 after meeting): Meeting follow-up + the one thing they asked about answered deeply Email 2 (Week 3): Milestone update – traction metric that proves momentum Email 3 (Week 5): Industry article or development that validates the opportunity Email 4 (Week 7): Next conversation ask – 'We've hit [MILESTONE] – want to reconnect?'

■ **Tip:** Investors say no to the round, not the company. Every email should show momentum — numbers moving in the right direction.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #64

Enterprise Pilot/POC Nurture

Write a 4-email nurture sequence during an enterprise proof-of-concept

You are enterprise sales specialist. Write a 4-email nurture sequence during an enterprise proof-of-concept or pilot of [PRODUCT]. Deliver: Email 1 (Week 1): Success metrics – agree on what makes this pilot a success Email 2 (Week 2): Quick win report – early data or usage showing positive signal Email 3 (Week 3): Remove blockers – proactively address any stalled adoption Email 4 (Week 4): Pilot review prep – what to cover in the review meeting

Placeholders: [PRODUCT] Your product being piloted

■ **Tip:** Pilots that define success metrics upfront convert to contracts at 70%+. Those without clear metrics convert at under 20%.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 9

Advanced Automation (7 prompts)

Prompt #65

Behavior-Triggered Email — Pricing Page Visit

Write a triggered email sent when a subscriber visits the pricing page

You are behavioral email specialist. Write a triggered email sent when a subscriber visits the pricing page but doesn't convert within 24 hours. Deliver: Structure: 1. Subject: Reference the pricing page visit specifically (use merge tag) 2. Acknowledge: They were evaluating – that's a serious action 3. Address: The #1 reason people visit pricing but don't buy (pick most likely) 4. Offer: A small next step (demo, free trial, chat) – reduce commitment required 5. FAQ: Answer the 3 questions that stop most people at pricing

■ **Tip:** Pricing page abandonment emails that reference the specific visit convert at 15-25% — generic 'you haven't bought yet' emails convert at 2-3%.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #66

Milestone-Based Automation Email

Write a triggered email sent when a customer achieves [MILESTONE] with

You are customer lifecycle specialist. Write a triggered email sent when a customer achieves [MILESTONE] with [PRODUCT]. Deliver: Milestones to write emails for: 1. First login / first use 2. First meaningful action completed 3. 7-day streak / consistent usage 4. First result or output created 5. 30-day user anniversary For each: Subject, brief body celebrating the milestone + next step to go deeper

Placeholders: [PRODUCT] Your product [MILESTONE] The action that triggers the email

■ **Tip:** Milestone emails have 60-80% open rates. They're the highest-performing email in your entire automation library.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #67

Cart Abandonment — Product-Specific

Write 3 cart abandonment emails each using a different recovery strate

You are cart recovery specialist. Write 3 cart abandonment emails each using a different recovery strategy for [PRODUCT CATEGORY]. Deliver: Email 1 (1 hour): The reminder — 'You left [PRODUCT NAME] in your cart' Recovery strategy: Pure reminder, no pressure, helpful link back Email 2 (24 hours): The objection handler Recovery strategy: Address the #1 reason people abandon [PRODUCT CATEGORY] specifically Email 3 (72 hours): The sweetener Recovery strategy: Add a reason to come back (bonus, guarantee highlight, or urgency)

Placeholders: [PRODUCT CATEGORY] Type of product (apparel/software/courses/etc)

■ **Tip:** Each product category has different abandonment reasons. Match your Email 2 objection to the category.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #68

Browse Abandonment Email

Write a browse abandonment email triggered when someone views [PRODUCT]

You are e-commerce retention specialist. Write a browse abandonment email triggered when someone views [PRODUCT] 2+ times but doesn't add to cart. Deliver: Structure: 1. Subject: Product name or category (personalized) 2. 'You've been looking at [PRODUCT]...' – acknowledge the browsing 3. Address the likely hesitation for first-time buyers of [PRODUCT CATEGORY] 4. Add a reason to move forward: urgency, social proof, or new information 5. Make returning as easy as possible: Deep link to exact product

Placeholders: [PRODUCT] The browsed product [PRODUCT CATEGORY] Product type

■ **Tip:** 2+ page views signals genuine interest. Email conversion rate for 2+ views is 5x higher than 1 view. Segment carefully.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #69

Subscription Pause and Save Email

Write a sequence triggered when a customer requests to cancel [SUBSCRI

You are subscription retention specialist. Write a sequence triggered when a customer requests to cancel [SUBSCRIPTION]. Deliver: Trigger point: Cancel button click (before cancellation is confirmed) Step 1 – The pause offer: Show pause as an alternative to cancel Step 2 – The downgrade offer: Show a lower tier as an alternative Step 3 – The exit survey: If they still cancel, ask why (1 question) Step 4 – Post-cancel: Winback door left open + how to return

Placeholders: [SUBSCRIPTION] Your subscription product

■ **Tip:** Offering a pause saves 15-25% of would-be cancellations. It's the highest ROI retention feature you can add.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #70

Welcome Back — Returning Customer Automation

Write a triggered email sent when a customer returns to purchase after

You are customer retention specialist. Write a triggered email sent when a customer returns to purchase after 90+ days away. Deliver: Structure: 1. Acknowledge the return – warmly, not desperately 2. Show what's changed/improved since they were last here 3. Welcome back offer – exclusive discount for returning customers 4. What's been added: New products, features, or content they missed 5. The promise: Why this time will be different / better

■ **Tip:** Returning customer emails should feel like a reunion, not a win-back. They've decided to come back — now reinforce that decision.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #71

Post-Webinar Automation — Buyer vs Non-Buyer

Write separate post-webinar email sequences for [PRODUCT] for attendee

You are webinar funnel specialist. Write separate post-webinar email sequences for [PRODUCT] for attendees who bought vs those who didn't. Deliver: BUYERS (3 emails): Email 1 (Same day): Congratulations + access + what happens next Email 2 (Day 2): The most important first step inside [PRODUCT] Email 3 (Day 7): Early win check-in + community invitation NON-BUYERS (4 emails): Email 1 (Same day): Replay + key takeaway summary Email 2 (Day 2): 'The part most people rewatched' – tease specific insight Email 3 (Day 4): Objection-based offer – address why they didn't buy Email 4 (Day 6): Final close + deadline

Placeholders: [PRODUCT] Your webinar offer

■ **Tip:** Separate buyer/non-buyer flows are the most important segmentation in your entire email automation.
