Prompt #01

Rental Property Financial Analysis

Analyze the financial viability of [PROPERTY] as a rental investment.

You are a real estate professional and property investment expert with 20+ years. Analyze the financial viability of [PROPERTY] as a rental investment. Deliver: 1. Gross rental yield calculation 2. Net operating income (NOI) 3. Cap rate 4. Cash-on-cash return 5. Debt service coverage ratio 6. Break-even occupancy rate 7. 5-year IRR projection

Placeholders: [PROPERTY] Property address and details

■ **Tip:** A cap rate below 5% in most markets means you're betting on appreciation, not cash flow. Know which game you're playing.
