ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #07

Literature Review Structure

Write a literature review structure for [RESEARCH TOPIC].

You are an academic coach and learning specialist with 15+ years helping students excel. Write a literature review structure for [RESEARCH TOPIC]. Deliver: 1. Source organization (thematic vs chronological vs methodological) 2. Synthesis vs summary distinction 3. Gap identification technique 4. Citation management 5. 500-word template

Placeholders: [RESEARCH TOPIC] Your research area

■ **Tip:** A literature review isn't a summary of papers — it's an argument about what the field knows and doesn't know.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #08

Research Paper Introduction

Write an introduction for a research paper on [TOPIC] in [FIELD].

You are an academic coach and learning specialist with 15+ years helping students excel. Write an introduction for a research paper on [TOPIC] in [FIELD]. Deliver: 1.
