Product Copy & Listings (10 prompts)

Prompt #01

Product Page Hero Copy

Write a complete product page copy system for [PRODUCT] in [STORE PLAT

You are a conversion-focused e-commerce copywriter. Write a complete product page copy system for [PRODUCT] in [STORE PLATFORM]. Deliver: 1. Product title (SEO-optimized, benefit-first) 2. Hero section: Headline + 3 bullet benefits (emotional, not feature) 3. Product description (250 words, PASTOR framework) 4. Bullet feature list (8 bullets, benefit-first) 5. Social proof block (testimonial format + stats) 6. FAQ section (6 Q&As covering top objections) 7. CTA copy (Add to Cart button + trust line below)

Placeholders: [PRODUCT] Product name [STORE PLATFORM] Shopify/WooCommerce/Amazon

■ **Tip:** The first 3 bullets determine conversion. Lead with the outcome, not the feature.

Prompt #02

Collection Page Copy

Write complete collection/category page copy for [COLLECTION NAME] in

You are an e-commerce SEO specialist. Write complete collection/category page copy for [COLLECTION NAME] in [STORE NAME]. Deliver: 1. H1 headline (keyword-first, buyer-intent) 2. 120-word intro paragraph (value + selection + authority) 3. Trust signals bar copy (3 micro-credibility elements) 4. Buying guide (150 words: 'How to choose the right [product type]') 5. FAQ section (5 questions buyers have about this category) 6. Meta title + meta description (SEO optimized)

Placeholders: [COLLECTION NAME] Category name [STORE NAME] Your store

■ **Tip:** Collection pages with 300+ words of unique content rank 3x higher. This is your SEO investment — write it once, compound forever.

Prompt #03

Product Bundle Copy

Write product bundle copy for [BUNDLE NAME] combining [PRODUCTS].

You are a conversion copywriter. Write product bundle copy for [BUNDLE NAME] combining [PRODUCTS]. Deliver: 1. Bundle name (memorable, outcome-focused) 2. Bundle tagline (why these products together > separately) 3. Individual product descriptions (short, 50 words each) 4. Combined value calculation (retail price vs bundle savings) 5. Who it's for (the perfect gift/use case framing) 6. Bundle page CTA copy 7. Add-on upsell suggestion

Placeholders: [BUNDLE NAME] Bundle name [PRODUCTS] Products in the bundle

■ **Tip:** Bundles increase AOV by 30% on average. Name the bundle after the outcome, not the products.

Prompt #05

Abandoned Cart Popup Copy

Write 5 exit-intent popup copy variations for an e-commerce [STORE TYP

You are a conversion rate optimization specialist. Write 5 exit-intent popup copy variations for an e-commerce [STORE TYPE]. Deliver: For each popup: • Headline (creates enough pause to read) • Offer or hook (reason to complete purchase) • Primary CTA (stay + buy) • Decline CTA (respectful, not guilt-trip) • Visual concept note Variation types: Discount offer / Guarantee reminder / Social proof / Free shipping unlock / Personalized

Placeholders: [STORE TYPE] Your e-commerce category

■ **Tip:** Decline copy matters. 'No thanks, I prefer paying full price' increases stays vs 'Close' by 12%.

Marketplace Expansion Strategy

Create a marketplace expansion strategy for [BRAND] beyond its primary

You are an e-commerce growth strategist. Create a marketplace expansion strategy for [BRAND] beyond its primary channel. Deliver: Channel analysis: • Amazon: Pros, cons, margin impact, competition level • Etsy: Best for [product type] or not? • Walmart Marketplace: Emerging opportunity assessment • TikTok Shop: Right for this product? • Wholesale/B2B: Faire, direct wholesale • International: Top 3 markets to enter first For each channel: Requirements, margin model, launch checklist

Placeholders: [BRAND] Your brand

■ **Tip:** Diversification across 2-3 channels reduces single-platform risk without spreading too thin. Pick based on product-channel fit, not trends.
