Section 1

Contracts & Agreements (10)

Prompt #01

Service Agreement Template

a commercial contracts attorney

You are a commercial contracts attorney. Draft a complete service agreement template for [SERVICE PROVIDER TYPE] providing [SERVICE TYPE]. Deliver: Sections: Parties + Background, Services (detailed scope), Fees + Payment Terms, Term + Termination, Intellectual Property Ownership, Confidentiality, Warranties + Disclaimers, Limitation of Liability, Indemnification, Dispute Resolution, General (governing law, entire agreement, amendments) + Plain-English annotation for each critical clause

Placeholders: [SERVICE PROVIDER TYPE] e.g. Freelancer, agency, consultant [SERVICE TYPE] Type of service

■ **Tip:** IP ownership clause is the most negotiated and most important. Decide upfront: does client own work product or do you license it?

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #02

Freelancer/Contractor Agreement

a contracts lawyer specializing in independent work

You are a contracts lawyer specializing in independent work. Write a comprehensive independent contractor agreement for [FREELANCER TYPE]. Deliver: Sections: Independent Contractor Status (critical – must clearly establish non-employee status), Services + Deliverables, Compensation + Invoicing, Timeline, IP Assignment, Confidentiality, Non-Solicitation (optional), Warranties, Termination, Dispute Resolution + Exhibit A: Project Scope template

Placeholders: [FREELANCER TYPE] e.g. graphic designer, developer, writer

■ **Tip:** Misclassification risk: The IC agreement must clearly establish no control over how (only what) — this is the IRS test.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #03

NDA — Mutual and One-Way

an IP attorney

You are an IP attorney. Write both a mutual NDA and a one-way NDA for [BUSINESS CONTEXT]. Deliver: For each NDA: 1. Parties and purpose 2. Definition of Confidential Information (broad but precise) 3. Obligations of receiving party 4. Exclusions from confidentiality 5. Term of confidentiality (during + survival period) 6. Return/destruction of information 7. Remedies (injunctive relief clause) 8. Governing law + Notes on when to use mutual vs one-way

Placeholders: [BUSINESS CONTEXT] e.g. partnership discussion, vendor evaluation, M&A;

■ **Tip:** Confidential Information definition is where NDAs fail. Too broad is unenforceable. Too narrow leaves information exposed.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #04

Partnership Agreement — General

a business law attorney

You are a business law attorney. Draft a general partnership agreement between [PARTNER 1] and [PARTNER 2] for [BUSINESS]. Deliver: Sections: Partnership formation, Contributions (capital + non-capital), Profit and Loss sharing, Decision-making authority, Partner roles and duties, Compensation, Addition of new partners, Transfer of partnership interest, Dissolution and wind-up + Deadlock resolution mechanism + Buy-sell provision framework

Placeholders: [PARTNER 1] First partner description [PARTNER 2] Second partner description [BUSINESS] Business type

■ **Tip:** The buy-sell provision (what happens when one partner wants out) is the most important clause. 80% of partnership disputes come from not having this.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #05

Consulting Agreement

a consulting contracts specialist

You are a consulting contracts specialist. Write a professional consulting agreement for [CONSULTANT TYPE] with [CLIENT TYPE]. Deliver: Sections: Engagement and services, Statement of work template, Fees (hourly/project/retainer options), Expenses, Confidentiality, IP (what consultant owns vs what client owns), Non-compete and non-solicitation, Warranties, Termination (for cause, for convenience, notice periods), Limitation of liability + SOW template with deliverables, milestones, acceptance criteria

Placeholders: [CONSULTANT TYPE] Type of consultant [CLIENT TYPE] Type of client

■ **Tip:** Acceptance criteria in the SOW prevents scope creep disputes. Define 'done' before you start.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #06

Software Development Agreement

a technology contracts attorney

You are a technology contracts attorney. Write a software development agreement for custom [SOFTWARE TYPE] development. Deliver: Sections: Scope of work, Milestones and delivery schedule, Acceptance testing procedure, Change order process, Fees and payment schedule, IP ownership (critical: who owns what?), Source code escrow (for custom enterprise), Warranties (bugs, security, performance), Support and maintenance terms + Change order template + Bug and defect classification matrix

Placeholders: [SOFTWARE TYPE] Type of software being built

■ **Tip:** Source code escrow protects clients if the developer goes out of business. Essential for mission-critical custom software.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #07

Software License Agreement (EULA)

a SaaS legal specialist

You are a SaaS legal specialist. Write an End User License Agreement for [SOFTWARE PRODUCT]. Deliver: Sections: License grant (scope, limitations, what's not permitted), Restrictions (reverse engineering, redistribution, export), Subscription and fees, Updates and maintenance, Privacy and data processing, Warranties (AS IS disclaimer), Limitation of liability, Term and termination, Governing law + Acceptable use policy + Data processing addendum (for GDPR compliance)

Placeholders: [SOFTWARE PRODUCT] Your software product

■ **Tip:** EULA limitation of liability caps your exposure. Without it, a bug that costs a customer \$1M could expose you to a \$1M lawsuit.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #08

Letter of Intent (LOI)

a M&A; and corporate attorney

You are a M&A and corporate attorney. Write a letter of intent for [TRANSACTION TYPE] between [PARTY A] and [PARTY B]. Deliver: Structure: Transaction description, Key terms, Binding vs. non-binding provisions, Exclusivity period, Confidentiality (binding), Due diligence timeline, Conditions to closing, Governing law + What should be binding vs non-binding (guidance) + Negotiation notes on each key term

Placeholders: [TRANSACTION TYPE] e.g. acquisition, partnership, investment [PARTY A] Buyer/investor [PARTY B] Seller/company

■ **Tip:** The LOI sets expectations for the final agreement. Never sign an LOI without understanding which provisions are binding.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #09

Joint Venture Agreement

a corporate law specialist

You are a corporate law specialist. Draft a joint venture agreement between [COMPANY A] and [COMPANY B] for [JV PURPOSE]. Deliver: Sections: JV formation and structure, Capital contributions, Governance (management, voting, decisions), Revenue and profit sharing, IP contributed to and created by JV, Confidentiality and non-compete, Duration and termination, Exit mechanisms + Decision-making matrix (what requires unanimous vs majority) + IP contribution schedule

Placeholders: [COMPANY A] First party [COMPANY B] Second party [JV PURPOSE] Purpose of joint venture

■ **Tip:** IP ownership is the most disputed JV term. Document exactly what each party contributes AND who owns what's created.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #10

Affiliate Agreement

an affiliate marketing attorney

You are an affiliate marketing attorney. Write an affiliate agreement for [MERCHANT] and affiliate marketers. Deliver: Sections: Appointment and scope, Commission structure (rates, tiers, payment terms), Cookie duration and attribution, Prohibited activities (spam, brand bidding, trademark violations), Tracking and reporting, Audit rights, Compliance (FTC disclosure requirements), Term and termination, IP license + FTC-compliant disclosure language templates for affiliates + Commission table template

Placeholders: [MERCHANT] Your company

■ **Tip:** FTC disclosure requirements are legally binding, not optional. Your affiliate agreement must require disclosure AND your affiliates must understand what that means.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 2

Policies & Terms (8)

Prompt #11

Website Terms of Service

an internet law attorney

You are an internet law attorney. Write comprehensive website terms of service for [WEBSITE/APP]. Deliver: Sections: Agreement to terms, Services description, Account registration, User conduct and prohibited activities, IP and content ownership, User-generated content license, Privacy policy reference, Disclaimers (AS IS), Limitation of liability, Indemnification, Governing law and jurisdiction, Contact information + DMCA agent registration note + Copyright notice template

Placeholders: [WEBSITE/APP] Your website or application

■ **Tip:** 'AS IS' disclaimer and limitation of liability are the most important clauses for protecting against frivolous lawsuits.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #12

Privacy Policy — GDPR/CCPA Compliant

a data privacy attorney

You are a data privacy attorney. Write a GDPR and CCPA compliant privacy policy for [COMPANY]'s website and products. Deliver: Required sections: Data controller identity, Data collected (categories), Purpose of processing (legal basis for each), Third-party sharing, User rights (access, deletion, portability, opt-out), Cookie policy, Children's privacy (COPPA), Retention periods, Security measures, Contact/DPO information, Updates to policy + GDPR lawful basis analysis + CCPA opt-out notice template

Placeholders: [COMPANY] Your company

■ **Tip:** GDPR fines reach 4% of global revenue. A properly drafted privacy policy is your first line of defense in a regulatory inquiry.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #13

Cookie Policy and Consent Banner

a data privacy specialist

You are a data privacy specialist. Write a cookie policy and consent implementation guide for [WEBSITE]. Deliver: 1. Cookie inventory: First-party vs third-party by category (strictly necessary, functional, analytical, marketing) 2. Cookie policy document: Full disclosure of each cookie category 3. Consent banner copy: 3 options (minimal, standard, detailed) 4. Consent mechanism: How to implement under GDPR requirements 5. Opt-out instructions for users + Cookie audit checklist + Consent platform comparison

Placeholders: [WEBSITE] Your website

■ **Tip:** Strictly necessary cookies don't require consent. Everything else does under GDPR. Classify carefully.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #14

Refund and Returns Policy

an e-commerce legal specialist

You are an e-commerce legal specialist. Write a customer-friendly yet legally protective refund policy for [BUSINESS TYPE]. Deliver: Required elements: 1. Eligibility period (days from purchase) 2. Condition requirements (unused, original packaging) 3. Refund method (original payment, credit, exchange) 4. Digital goods policy (software, courses, subscriptions – special rules) 5. Exceptions (sale items, personalized items, perishables) 6. Process (how to request, return shipping responsibility) 7. Timeline (how long refunds take) + Copy for cart page, checkout, and confirmation email

Placeholders: [BUSINESS TYPE] e.g. e-commerce, SaaS, course creator

■ **Tip:** Digital goods refund policies are complex — 'all sales final' is often unenforceable and leads to chargebacks. A fair policy beats a restrictive one.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #15

Employee Handbook — Core Policies

an HR law specialist

You are an HR law specialist. Write the core policy sections for an employee handbook for [COMPANY] in [STATE/COUNTRY]. Deliver: Essential sections: 1. At-will employment statement (if applicable) 2. Equal opportunity and anti-harassment policy 3. Attendance and timekeeping 4. Compensation and benefits overview 5. Performance standards 6. Social media and confidentiality 7. Drug and alcohol policy 8. Disciplinary procedures 9. Complaint and reporting procedures + Acknowledgment signature page

Placeholders: [COMPANY] Your company [STATE/COUNTRY] Jurisdiction

■ **Tip:** The handbook acknowledgment page is critical. It proves the employee received and read the policies — essential in employment disputes.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #16

Data Processing Agreement (DPA)

a GDPR compliance specialist

You are a GDPR compliance specialist. Write a GDPR-compliant Data Processing Agreement for [VENDOR] processing data on behalf of [CONTROLLER]. Deliver: Required GDPR Article 28 elements: 1. Subject matter, duration, nature of processing 2. Type of personal data and data subject categories 3. Processor obligations (instructions only, confidentiality, security) 4. Sub-processor requirements 5. Data subject rights assistance 6. Deletion/return upon termination 7. Audit rights 8. Notification of security breaches + Standard Contractual Clauses reference + Transfer impact assessment note

Placeholders: [VENDOR] Data processor [CONTROLLER] Data controller

■ **Tip:** Any SaaS vendor handling EU personal data on your behalf requires a DPA. Without it, you're in violation of GDPR.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #17

Intellectual Property Assignment

an IP attorney

You are an IP attorney. Write an intellectual property assignment agreement for work created by [CREATOR TYPE]. Deliver: Types of IP assignment: 1. Copyright assignment (all work product, present and future) 2. Patent assignment (inventions created during engagement) 3. Trademark transfer (if applicable) 4. Trade secrets transfer Sections: Assignment (what is transferred), Consideration, Moral rights waiver, Warranty (creator owns what they're assigning), Cooperation (future assistance for registration), Governing law + Employee IP assignment note + Contractor IP assignment vs license comparison

Placeholders: [CREATOR TYPE] Employee or contractor

■ **Tip:** Work made for hire doctrine is unreliable. Always use an explicit IP assignment — don't rely on legal doctrine.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #18

SaaS Terms of Service

a SaaS attorney

You are a SaaS attorney. Write comprehensive SaaS Terms of Service for [SAAS PRODUCT] with enterprise provisions. Deliver: Sections: License grant, Subscription and fees, Restrictions, Customer data ownership and license, Uptime SLA (if applicable), Support terms, Confidentiality, Security and compliance, Warranties and disclaimers, Limitation of liability, Indemnification, Term and termination + Order form template + SLA schedule template (uptime % + credits for downtime) + Data deletion policy

Placeholders: [SAAS PRODUCT] Your SaaS product

■ **Tip:** Customer data ownership clause is your most important trust signal to enterprise buyers. Make it explicit: they own their data, always.

ChatGPT ✓

Claude ✓

Gemini ✓

Section 3

IP & Licensing (6)

Prompt #19

Trademark Registration Guide

a trademark attorney

You are a trademark attorney. Write a practical guide to registering a trademark for [BRAND NAME] in [COUNTRY]. Deliver: 1. Trademark search: How to search (USPTO/EUIPO/etc), what to look for 2. Nice Classification: Identify the right class(es) for your goods/services 3. Application preparation: Mark description, specimen requirements, dates of use 4. Filing process: Electronic filing steps 5. Examination period: What to expect, office actions 6. Publication and opposition: What happens after approval 7. Maintenance: Renewal deadlines, use requirements + Common rejection reasons + how to respond

Placeholders: [BRAND NAME] Your brand [COUNTRY] Registration jurisdiction

■ **Tip:** *File an intent-to-use application on Day 1 of your business if your brand is important. You can't go back and protect priority.*

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #20

DMCA Takedown Notice

a copyright attorney

You are a copyright attorney. Write a proper DMCA takedown notice for [COPYRIGHT HOLDER] against [INFRINGING URL]. Deliver: Complete DMCA Section 512(c)(3) takedown notice: 1. Identification of copyrighted work 2. Identification of infringing material (URL + description) 3. Contact information of complainant 4. Good faith statement 5. Accuracy statement 6. Electronic signature + Where to send it (how to find the DMCA agent) + Counter-notice process (what happens if they dispute) + Fair use consideration checklist

Placeholders: [COPYRIGHT HOLDER] You or your client [INFRINGING URL] URL of infringing content

■ **Tip:** *Include specific URLs (not just domains). Vague notices are harder to act on and easier to ignore.*

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #21

Open Source License Comparison

a software IP attorney

You are a software IP attorney. Compare the major open source licenses and provide guidance for [SOFTWARE PROJECT]. Deliver: Licenses to compare: • MIT: Permissive, commercial use allowed, minimal restrictions • Apache 2.0: Permissive + patent protection • GPL 2.0/3.0: Copyleft – derivative works must be GPL • LGPL: Modified copyleft – allows linking without GPL contamination • AGPL: Network copyleft – SaaS use triggers disclosure • Creative Commons variants (for non-software) For [SOFTWARE PROJECT]: Recommended license + rationale + key obligations

Placeholders: [SOFTWARE PROJECT] Your project type and use case

■ **Tip:** Using GPL code in your commercial product can require open-sourcing your entire product. Know what's in your dependency tree.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #22

Brand Licensing Agreement

an IP licensing specialist

You are an IP licensing specialist. Write a brand licensing agreement for [LICENSOR] licensing [BRAND/IP] to [LICENSEE]. Deliver: Sections: IP being licensed, License scope (exclusive/non-exclusive, territory, field of use), Quality control (approval rights over licensed products), Royalties (rate, minimum guaranteed, reporting, audit), Term and renewal, Sublicensing restrictions, IP ownership (licensor always retains), Infringement response, Termination + Royalty report template + Quality approval checklist

Placeholders: [LICENSOR] IP owner [BRAND/IP] What's being licensed [LICENSEE] Who's using it

■ **Tip:** Quality control rights in a trademark license aren't just protective — they're legally required to maintain trademark validity.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #23

Music and Content Licensing Guide

an entertainment attorney

You are an entertainment attorney. Write a practical content licensing guide for [CONTENT TYPE] for [USE CASE]. Deliver: Types of licenses needed: 1. Sync license (music + video sync) 2. Master license (recorded track) 3. Mechanical license (cover songs) 4. Print license (sheet music) 5. Stock media license (photos, video, fonts) 6. Creative Commons conditions For [USE CASE]: Which licenses do you need + where to get them + what they cost + Content audit checklist for existing content + License tracking template

Placeholders: [CONTENT TYPE] Music/images/video/fonts [USE CASE] Commercial use, marketing, app, etc

■ **Tip:** Using unlicensed music in a viral video can cost \$150K per use. Always license before publishing.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #24

Patent Strategy Guide

a patent attorney

You are a patent attorney. Write a patent strategy guide for [STARTUP] with technical innovations. Deliver: 1. What's patentable: Utility, design, plant patents – and what qualifies 2. Prior art search: How to search before filing 3. Provisional application: \$500 way to establish priority for 12 months 4. Non-provisional filing: Timeline, costs, examiner process 5. International strategy (PCT filing): When and why 6. Trade secret vs. patent: When not to patent 7. Patent portfolio strategy for startups + Patent timeline and cost estimate + IP assignment for employees/contractors (prerequisite)

Placeholders: [STARTUP] Your company/inventor

■ **Tip:** File a provisional patent application before any public disclosure, publication, or sale. Public disclosure destroys patentability in most countries.

an HR and employment law specialist

You are an HR and employment law specialist. Write a performance improvement plan for an employee struggling with [PERFORMANCE ISSUE]. Deliver: PIP structure: 1. Employee information and supervisor 2. Performance concerns: Specific, documented, objective 3. Expected performance: Clear, measurable standards 4. Improvement actions: What the employee must do 5. Resources and support: What the company provides 6. Timeline: Review dates (typically 30/60/90 days) 7. Consequences: What happens if standards aren't met 8. Employee acknowledgment + Coaching conversation guide + Documentation best practices

Placeholders: [PERFORMANCE ISSUE] Describe the performance gap

■ **Tip:** PIPs should never be a surprise. Every concern in a PIP should have been discussed in prior conversations — documented.

ChatGPT ✓

Claude ✓

Gemini ✓

Prompt #28

Remote Work Agreement

an employment lawyer

You are an employment lawyer. Write a remote work agreement for [COMPANY] and remote employees. Deliver: Sections: Work location approval, Core hours and availability, Responsiveness standards, Equipment (company vs employee provided), Home office expense reimbursement, Security requirements (VPN, screen lock, storage), Data handling, Workers compensation (home office), Manager check-in requirements, Return to office (if required at any point), Termination of remote arrangement + Home office safety checklist (for workers comp compliance)

Placeholders: [COMPANY] Your company

■ **Tip:** Remote work agreements create clarity that protects both parties. 80% of remote work conflicts are caused by ambiguous expectations.
