Section 1

Landing Page Copy (10 prompts)

Prompt #01

Hero Section — Pain-Led

Craft a headline that hits the #1 pain point and converts cold traffic

You are a direct response copywriter with 15+ years and \$100M+ in tracked revenue. Write a complete pain-led hero section for [PRODUCT] targeting [AUDIENCE]. Deliver: 1. Pre-headline (1 line – sets the problem context) 2. Main headline (under 10 words – the pain named sharply) 3. Subheadline (1 sentence – the relief promised specifically) 4. Hero image/visual direction note 5. CTA button (3-5 words – action-oriented) 6. Trust bar (3 micro-credibility signals below the fold) 7. Below-CTA anxiety reducer (1 sentence removing buyer risk) Product: [PRODUCT NAME] Target pain: [THEIR #1 FRUSTRATION] Audience: [WHO THEY ARE]

Placeholders: [PRODUCT NAME] Your product [THEIR #1 FRUSTRATION] The pain that wakes them at 3am [WHO THEY ARE] Describe the buyer

■ **Tip:** The pain-led hero converts best for cold traffic. Desire-led works better for warm. Test both.

Prompt #02

Hero Section — Desire-Led

Convert with aspirational framing that sells the dream outcome

You are a brand copywriter who specializes in desire-led conversion. Write a complete desire-led hero section for [PRODUCT]. Deliver: 1. Pre-headline (evoke the dream state in 1 phrase) 2. Headline (the transformation promised – what life looks like after) 3. Subheadline (how you deliver it + social proof signal) 4. Bullet benefits (5 bullets – each describing the 'after' state) 5. CTA (outcome-focused, not action-focused – 'Get [RESULT]' not 'Click Here') 6. Trust signal (number of customers, years, or notable result) Product: [PRODUCT NAME] Dream outcome: [WHAT THEY WANT MOST] Key feature: [HOW YOU DELIVER IT]

Placeholders: [PRODUCT NAME] Product [WHAT THEY WANT MOST] Ultimate aspiration [HOW YOU DELIVER IT] Core mechanism

■ **Tip:** Desire-led heroes work 40% better for lifestyle products, health offers, and aspirational purchases.

Prompt #03

Value Proposition — One Sentence

Articulate your unique value in a sentence that eliminates competitors

You are a positioning strategist. Create 5 value proposition statements for [PRODUCT] using different formulas: Formula 1 – For [AUDIENCE] who [SITUATION], [PRODUCT] is the [CATEGORY] that [DIFFERENTIATOR] unlike [ALTERNATIVE]. Formula 2 – We help [AUDIENCE] [ACHIEVE OUTCOME] without [OBSTACLE] by [METHOD]. Formula 3 – [AUDIENCE] use [PRODUCT] to [ACHIEVE SPECIFIC RESULT] in [TIMEFRAME]. Formula 4 – The only [CATEGORY] that [UNIQUE FEATURE] so that [AUDIENCE] can [OUTCOME]. Formula 5 – [PRODUCT]: [BOLD CLAIM] for [AUDIENCE] who are serious about [GOAL]. Then recommend which formula to lead with and why. Product: [PRODUCT NAME] Audience: [TARGET BUYER] Top differentiator: [WHAT MAKES YOU DIFFERENT]

Placeholders: [PRODUCT NAME] Your product [TARGET BUYER] Your ideal customer [WHAT MAKES YOU DIFFERENT] Your unique mechanism or feature

■ **Tip:** Test your value proposition as a 5-second first impression with someone unfamiliar with your product.

Prompt #04

Features to Benefits Deep Converter

Turn every feature into a 3-layer benefit that sells emotionally

You are a conversion copywriter. For each feature listed, create a 3-layer benefit stack: Layer 1 – Functional: What it does practically Layer 2 – Emotional: How it makes them feel Layer 3 – Identity: Who they become by having it Then write a one-line copy snippet for each: '[FEATURE] so you can [BENEFIT] – because [IDENTITY]' Features to convert: [FEATURE 1] [FEATURE 2] [FEATURE 3] [FEATURE 4] [FEATURE 5] Product context: [PRODUCT] for [AUDIENCE]

Placeholders: [FEATURE 1-5] List your features [PRODUCT] Your product [AUDIENCE] Your buyer

■ **Tip:** Identity benefits ('who they become') are the most powerful tier — people pay to BE someone, not to DO something.

Prompt #05

Social Proof Section Architecture

Design a complete trust-building proof system for your page

You are a conversion optimization specialist. Design a complete social proof section architecture for [PRODUCT]. Deliver 6 social proof types with copy for each: 1. The Big Number (impressive aggregate stat with context) 2. The Transformation Testimonial (before→after story, 60 words) 3. The Specific Result Quote (exact outcome, named person) 4. The Expert Endorsement (industry authority validation) 5. The Video Testimonial Script (what a customer should say on camera, 30 sec) 6. The Media Logo Bar (how to frame press mentions if you have them) For each: the copy block, design note, and placement recommendation. Product: [PRODUCT NAME] Best customer result: [TOP OUTCOME] Industry: [YOUR INDUSTRY]

Placeholders: [PRODUCT NAME] Your product [TOP OUTCOME] Best customer result [YOUR INDUSTRY] Your sector

■ **Tip:** Video testimonials convert 3x more than text. Even 30 seconds shot on a phone outperforms polished text.

Prompt #06

Objection Crusher — Full Section

Pre-handle every buyer hesitation before it kills the sale

You are a direct response copywriter and buyer psychology expert. Write a complete objection handling section for [PRODUCT]. For each of the 7 universal objections, write: • The objection (in buyer's exact words) • The acknowledgment (validate without agreeing) • The reframe (evidence-based perspective shift) • The close (micro-CTA specific to this objection) The 7 objections: 1. "It's too expensive" – price objection 2. "I don't have time" – time objection 3. "I'll do it later" – procrastination 4. "It won't work for me" – skepticism 5. "I've tried things like this before" – past failure 6. "I need to think about it" – indecision 7. "I need to ask my [partner/boss]" – authority Product: [PRODUCT NAME] Price: [PRICE] Biggest real objection: [THEIR TOP HESITATION]

Placeholders: [PRODUCT NAME] Your product [PRICE] Your price [THEIR TOP HESITATION] What really stops them

■ **Tip:** Put objection handling ABOVE the pricing section. Objections kill sales before they see the price.

Prompt #07

Urgency and Scarcity Copy

Create ethical urgency that genuinely accelerates buying decisions

You are an ethical conversion copywriter. Write 5 urgency/scarcity mechanisms for [PRODUCT] – all must be 100% true and verifiable. For each mechanism: • The trigger (what creates the real urgency) • The copy block (headline + 2-3 sentences) • The CTA • The placement on page • The verification (how to ensure this is always honest) 5 mechanisms: 1. Time-based urgency (real deadline – sale, cohort close, event) 2. Quantity-based scarcity (spots, stock, capacity) 3. Price-based urgency (price increases on [DATE]) 4. Bonus expiration (free gift available only until [DATE]) 5. Consequence urgency (what they lose every day they wait – in dollars or specifics) Product: [PRODUCT NAME] Actual constraints: [YOUR REAL LIMITATIONS OR DEADLINES]

Placeholders: [PRODUCT NAME] Your product [YOUR REAL LIMITATIONS OR DEADLINES] Only list real constraints

■ **Tip:** Manufactured urgency destroys trust permanently when discovered. Only use mechanisms you can prove.

Prompt #08

Guarantee Copy — 3 Levels

Write guarantees that remove all risk and close the sale

You are a trust architect and conversion copywriter. Write 3 versions of a guarantee for [PRODUCT]: Version 1 – Standard (30-day money-back): Clean, clear, professional. No ifs, ands, or buts. Version 2 – Results-Based: If [CUSTOMER] doesn't [SPECIFIC RESULT] in [TIMEFRAME], [YOUR ACTION]. Make the condition specific and the consequence real. Version 3 – Confidence Guarantee: An audacious guarantee that signals total product conviction. (Example: "Double your money back if it doesn't work") For each version: • Guarantee headline • Full guarantee statement (3-4 sentences) • Fine print (honest, clear – builds more trust than hiding it) • Visual design note (icon, color, seal style) • Where to place it on the page Product: [PRODUCT] Your real refund policy: [ACTUAL POLICY]

Placeholders: [PRODUCT] Your product [ACTUAL POLICY] Your real terms — be honest

■ **Tip:** The guarantee that costs most if you fail converts best. Make it real, not corporate.

Prompt #09

Pricing Page — Full Structure

Build a pricing page that makes your price feel like a bargain

You are a pricing page specialist. Write a complete pricing page for [PRODUCT] with [1/2/3] tiers. For each tier: • Tier name (name the persona, not the plan – 'Freelancer' not 'Basic') • Price + billing period • One-line positioning (who this is perfect for) • Feature list (benefits-first, not feature dumps – max 8 items) • CTA button text (specific to this tier) • 'Perfect for...' qualifier line Also write: • Page headline (not 'Pricing' – something aspirational) • Anchor comparison (what they'd pay alternatives for same result) • Daily cost breakdown ($\$[PRICE]/365 = \X/day) • 5 pricing FAQs (cancel, change plans, refund, trial, save annually) • Enterprise/custom CTA block Product: [PRODUCT] Tiers: [YOUR TIER STRUCTURE] Main pricing objection: [WHAT THEY COMPLAIN ABOUT]

Placeholders: [PRODUCT] Your product [YOUR TIER STRUCTURE] e.g. \$49/mo, \$99/mo, \$199/mo [WHAT THEY COMPLAIN ABOUT] Common price objection

■ **Tip:** Never call a tier 'Basic' — it makes buyers in that tier feel basic. Name it after who it's for.

Prompt #10

Long-Form Sales Page — Complete Blueprint

The full structure for a sales page that works while you sleep

You are a long-form direct response copywriter. Create a complete sales page blueprint for [PRODUCT]. Write each section in full. 1. Pre-headline (1 sentence – maximum curiosity, no commitment) 2. Headline (AIDA-formatted – attention through desire) 3. Opening hook story (150 words – relatable struggle → breakthrough moment) 4. Who this is for (5 qualifying bullets – make readers self-identify) 5. Who this is NOT for (3 disqualifiers – builds credibility) 6. The mechanism (what makes this different from everything they've tried) 7. What's inside (each component with feature + benefit) 8. The proof section (results, testimonials structure) 9. Creator credibility (why you, in 100 words) 10. The complete offer (everything they get, stacked) 11. Price + value justification 12. Guarantee section 13. FAQ (7 questions) 14. Final CTA close (urgency + last emotional appeal) Product: [PRODUCT] Core transformation: [FROM STATE → TO STATE] Price: [PRICE]

Placeholders: [PRODUCT] Your product [FROM STATE → TO STATE] Before and after [PRICE] Your price

■ **Tip:** Long-form pages convert better for high-consideration purchases (\$200+). Under \$50, use short-form.

Audit any page for conversion-killing copy mistakes and fix them all

You are a conversion copy auditor. Create a 50-point copy audit checklist for [PAGE TYPE] with specific questions and improvement actions for each point. Categories (10 points each): 1. CLARITY (0-10): Does every element communicate instantly? Point 1: Is the headline immediately understandable to a stranger? Point 2: Does the subheadline expand (not repeat) the headline? [Continue with Points 3-10 – clarity across the page] 2. TRUST (0-10): Does the page build credibility? [10 specific trust-building copy questions] 3. VALUE COMMUNICATION (0-10): Is the value unmistakably clear? [10 specific value-framing questions] 4. FRICTION REDUCTION (0-10): Does copy remove all obstacles to action? [10 specific friction-reducing questions] 5. CONVERSION (0-10): Is every element leading toward the CTA? [10 specific conversion optimization questions] For each of the 50 points: • The audit question • How to score it (0-2 scale) • The most common failure • How to fix it (in one sentence) Page type: [LANDING PAGE/PRODUCT PAGE/HOMEPAGE/CHECKOUT/EMAIL]

Placeholders: [LANDING PAGE/PRODUCT PAGE/HOMEPAGE/CHECKOUT/EMAIL] Which page type to audit

■ **Tip:** Run this audit on your highest-traffic pages first. A 1% conversion rate improvement on 10,000 visitors is 100 extra sales.
